Global Manufacturing and Industrialisation Summit (GMIS) Connect  
Trieste - 14th November 2023

Dear all,

UNIDO ITPO Italy is delighted to invite you to **GMIS Connect – Trieste, the Global Manufacturing and Industrialisation Summit’s roadshow series**, where we explore the global dialogue on sustainable manufacturing and the revolutionary potential of green hydrogen.

**Date:** 14 November 2023

**Time:** 09:00 – 17:00

**Location:** Palace of the Autonomous Region of Friuli-Venezia Giulia, Piazza Unità d'Italia, 1 – Trieste

**GMIS Connect – Trieste** will bring together thought leaders, government officials, and industry experts from Italy and the United Arab Emirates to highlight the opportunities in decarbonising the manufacturing sector and the role of green hydrogen in powering sustainable manufacturing. The event aligns with the shared mission of the United Arab Emirates and Italy to implement an economy-wide reduction in emissions and combat climate change.

The event is organized by GMIS in collaboration with the Autonomous Region of Friuli Venezia Giulia, UNIDO ITPO Italy, Confindustria, World Trade Center Trieste, University of Trieste, National Institute of Oceanography and Experimental Geophysics (OGS), the International Foundation of Trieste (FIT), and The Laboratory on Quantitative Sustainability (TLQS), and aims to promote the use of green hydrogen in various sectors of the economy.

### **Event Highlights**

**Keynote Speakers:** Renowned experts will share insights on the rise of green hydrogen and its pivotal role in achieving sustainable manufacturing practices

**Panel Discussions:** Engage in in-depth discussions with industry leaders on effective policies, technological advancements in green hydrogen, and strategies to navigate the climate crisis in the context of manufacturing and beyond

**Networking Opportunities:** Connect with peers, forge new partnerships, and explore collaborative ventures with leading organizations, that are at the forefront of enabling the global energy transition

### Why Attend?

Don't miss this unique opportunity to be part of the global efforts to reduce the manufacturing sector's carbon footprint. Join us as we explore cutting-edge solutions, exchange ideas, and build bridges toward a greener, more prosperous world.

### RSVP

Kindly confirm your attendance by registering to secure your place at this influential event. **In-person participation is limited, reserve your seat now!**

[REGISTER NOW](#)

We look forward to welcoming you to **GMIS Connect – Trieste** and collectively charting a path toward sustainable manufacturing powered by the rise of green hydrogen.
