

SACE meets Israeli Ministry of Transportation and EPC Contractors

Explore Railway Infrastructure business opportunities in Israel

20 July 2020 - 10.00 am

According to its National Infrastructure Plan of 2019, **Israel is promoting public investments** in several sectors, including **Railway Infrastructure**. To this aim, SACE SIMEST – with the kind cooperation of the Embassy of Israel to Italy and ANIE ASSIFER – is pleased to invite you to a presentation of **new business opportunities in Israel** with the **Israeli Ministry of Transportation and Road Safety and EPC Contractors**. The webinar will focus on the **JLRT Blue Line Project** and will be held in English.

Following the plenary session, the participants will have the opportunity to join **online B2B meetings** with the representatives from the Israeli authorities as well as the EPC Contractors.
